

## **Regulation**

Vesive allows everyone to access to the world rankings (Globing) and to be voted on by all. It is easy to create your own profile, with photos and videos, and it allows you to start playing immediately.

Vesive is divided into four sections:

- 1) Globing
- 2) Wheels
- 3) Face2Face
- 4) Till9

## **Registration**

To subscribe to Vesive you must be at least 16 years old and provide a valid email address. See Terms of use.

A Vesive member can decide to enter the ranking as a "Vesiver" or participate only to the vote as "Voter."

The Vesiver automatically enters the ranking and can participate and vote in all the sections.

The Voter can vote in Globing, Wheels and Face2Face and can at any time become a Vesiver by providing the missing information.

If you want to become a Vesiver you must enter the following information:

- 1) gender
- 2) at least one photo
- 3) date of birth
- 4) nationality
- 5) city

To improve your Vesiver profile you can:

- 1) insert up to a maximum of 3 photos that you can replace whenever you want.
- 2) insert up to 3 videos of 15 seconds (longer videos will be automatically reduced) that you can change whenever you want.
- 3) insert a short text that represents you.

Photos and videos must comply with the Terms of Use of Vesive.

In the case that the personal information sheet is modified and is no longer complete of the information, the profile of the competitor will leave the ranking and will maintain unchanged the points he had received.

To be included in the ranking, it is necessary to complete the missing data.

# How to play Globing

Globing is a section that is divided into four categories, women, men gender and couples, it allows you to:

- 1) access to the world ranking of all participants (Vesivers)
- 2) display the partial rankings that interest you using the filters of gender, name, country and city.
- 3) receive votes to climb the rankings
- 4) search by using filters a single competitor.
- 5) vote for the single competitor.

Rules of Globing.

Vesivers and Voters may vote in the Globing how many people they want, but may vote on the same competitor once an hour.

Vesivers can vote for themselves but only once an hour.

The vote in Globing is worth 1 point and can be added to the votes received in Wheels and Till9.

# How to play WHEELS

Section Wheels proposes four wheels of photographs, one for each category. Each wheel has eight photographs of drawn Vesivers, which remain visible only for a few seconds. When the time expires, the photos are replaced with eight more.

This creates a showcase for competitors of a few seconds and during this time they can be noticed and vote.

The vote in the Wheels, translated into points ranking, helps to gain positions.

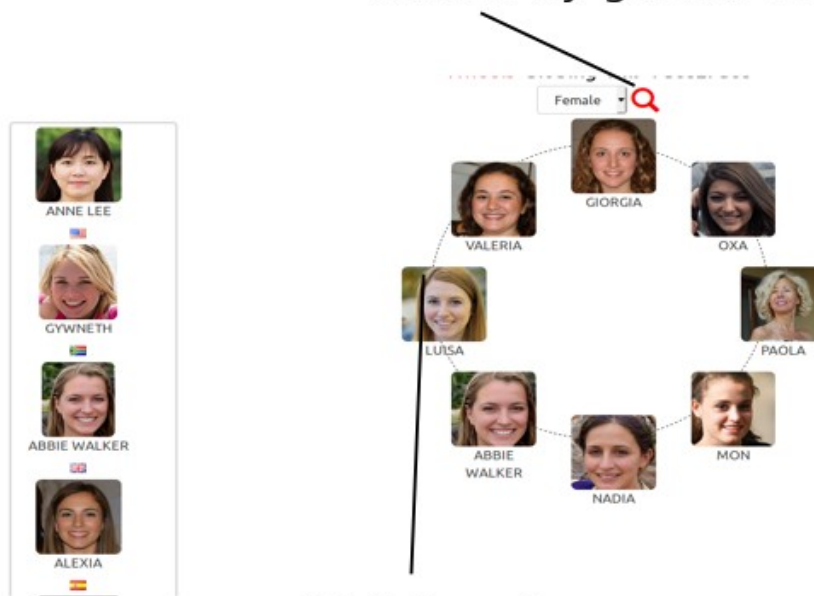

## Rules of Wheels

The extraction and display of photographs is random.

The user can also vote for all competitors in the same wheel, but only once the same competitor.

Each vote in the single wheel is worth 2 points.

## How to play Face 2 Face

In section Face2Face a Vesiver compares his profile with the profile of a member who precedes him in ranking, with the aim of exchanging the position with it.

All Vesive members can vote for Face2Face's favourite and have one hour of time.

### Rules of Face2Face

A Vesiver can compete with a competitor chosen from among the eight that precede him in the ranking within its own category.

The vesiver chosen from among the eight automatically enters the Face2Face and cannot give up.

The vote starts automatically and lasts one hour.

The two participants cannot withdraw until the time has elapsed.

All members can also vote for both profiles, but only once in an hour.

Competitors can also vote for themselves but only once.

If the challenging profile collects more votes, it exchanges its position and ranking points with the competitor, otherwise both positions remain unchanged.

The votes obtained in Face2Face do not increase the ranking points but are used only for the purpose of determine the winner and, if necessary, exchange the position.

On the contrary, the points obtained in the Globing and in the Wheels, during the course of the Face2Face, will be assigned at the end of the game.

Choose among the eight above and click the photo. Press Play to start playing.

Now you can vote in your Face2Face or choose one from the list of Face2Face in progress.

# How to play TILL9

In section Till9 a jury of three Vesivers votes for the profiles of 9 other Vesivers participating in the Till9. The first three classified will be awarded with points.  
Rules of Till9

The Till9 can be entered by the Vesivers but not by the Voters.

Once registered, the competitor cannot be cancelled from the Till9 until the end of the vote. When the 9th competitor has registered, the formation of the jury begins. The jury is made up of the first three judges (Vesivers) who have completed the vote.

A competitor engaged in the Till9 cannot be a judge of the same Till9, but can be simultaneously judge in other T's in which he does not participate.

Each of the 3 judges must necessarily choose his 3 favourites ( 1st, 2nd, 3rd ) from the 9 competitors and each of the 3 positions is assigned a score so determined:

1st position -13 jury points

2nd position - 7 jury points

3rd position -3 jury points

Adding up the jury points awarded by the 3 judges you get the first three classified of the Till9, which win and gain ranking points:

The 1st classified earns 30 points

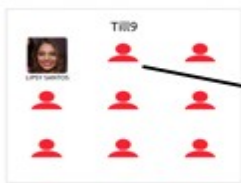

The 2nd place earns 12 points

The 3rd place earns 8 points

In case of equal jury points between 2 or more competitors of the Till9 the position will be established according to the order of enrollment in the same Till9,

The Till9 ends when the third judge has voted.

A competitor engaged in the Till9 cannot participate at the same time in a Face2Face.

Click the icon to subscribe.  
No one can join the jury until the entry panel is not completed.

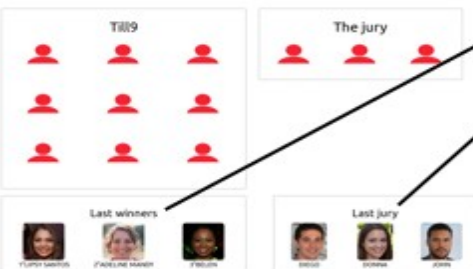

Now You can join the Jury.  
Click the picture.

Assign the position to the photos of the three participants you prefer and confirm.

You are now the first of the three judges  
When the entire jury has voted, Till9 ends.

You can see the winners and the Jury.  
A new Till9 is ready to start.
